

Group 2 Instructions

Your allocated group is Group 2. Your instructor will brief you on what devices you will use before you start.

Please read all of these instructions thoroughly before starting the tests. In addition, you will be reminded of the task before the start of each test.

1. For those on desktop or laptop computers, please open the app using the following link: <https://editor.p5js.org/adrianfearman/full/vW4hFQhjA> (please familiarize yourself with the homepage but do not start the test)

If you are on mobile (Google Chrome browser is suggested), you will use this link: <https://editor.p5js.org/adrianfearman/full/6FARgp3xT> (please familiarize yourself with the homepage but do not start the test)

2. On the homepage you should see a page with 6 UI test buttons split into two types: Type 1 and Type 2. **For this group, you will complete all 3 of the tests under “Type 2” first, and then proceed to completing the tests under “Type 1”**
3. **When you are in the tests, do not use any external web navigation (such as back, refresh, etc.) ONLY navigate using buttons in the test window.**

UI Test 1

4. You will click the “UI Test 1” button, under “Type 2” which will bring you to a brief instruction page.
5. Your task in UI test 1 is to purchase some Dark Blue Pants. You must locate the pants within the UI environment and “purchase them”. When you are ready to begin, click “Start the test”
6. Once you are finished, you will arrive at the task complete page and can return to the main menu. Once you click “return to main menu” you will notice a download prompt of your test results.
 - a. **For desktop users:** the download should begin automatically.
 - b. **For mobile users:** select download before continuing on to your next task.

UI Test 2

7. You will click the “UI Test 2” button under “Type 2” which will bring you to a brief instruction page.
8. Your task in UI test 2 is to bookmark a blog, called “SD cards are so expensive”.

To bookmark it, you must locate said blog within the UI environment.

When you are ready to begin, click “Start the test”

9. Once you are finished, you will arrive at the task complete page and can return to the main menu. Once you click “return to main menu” you will notice a download prompt of your test results.
 - a. **For desktop users:** the download should begin automatically.
 - b. **For mobile users:** select download before continuing on to your next task.

UI Test 3

10. You will click the “UI Test 3” button under “Type 2” which will bring you to a brief instruction page.
11. Your task in UI test 3 is to send a message to a person named Catherine, on a social media platform. You must locate the page where you can access your direct messages within the UI environment. You will only need to click on the send icon or its corresponding input icon to send the message. You don’t have to type in anything to send the message.

When you are ready to begin, click “Start the test”

12. Once you are finished, you will arrive at the task complete page and can return to the main menu. Once you click “return to main menu” you will notice a download prompt of your test results.
 - a. **For desktop users:** the download should begin automatically.
 - b. **For mobile users:** select download before continuing on to your next task.

Type 1 Tests

13. From there, you will do the next 3 tests under Type 1, starting with UI Test 1 and ending with UI Test 3 in the same way you have just done.
14. The task instructions for each of the UI tests in Type 1 are the same as in Type 2. If you are confused as to what you are tasked to do, you can refer back to the previous points.
15. Once you are finished with all 6 tests, you can close the website or software. If you are doing this remotely and on a desktop/laptop computer, you will need to locate the 6 testXXXX.txt files (they should be located in your downloads folder). You must send these testXXXX.txt files back to your instructors. There is a place to upload all of the testXXXX.txt files in the final survey. If you need help locating the files the instructor can help you to do so.

16. After that, you must take a short survey at this link,
<https://forms.gle/hBKygr6enAM5r4va7>. If you don't feel like you want to take the survey or want to discuss more post-survey, you can ask for an interview with the instructor.
